WHEREAS, the Idaho State Building Authority financed the building known as the BSU West Campus Building and Boise State University uses and occupies such building under a facilities lease with the Idaho State Building Authority; and

## SJM 112

### BY STATE AFFAIRS COMMITTEE

#### A JOINT MEMORIAL

TO THE PRESIDENT OF THE UNITED STATES, TO THE SECRETARY OF THE U.S. DEPARTMENT OF INTERIOR, TO THE SECRETARY OF THE U.S. DEPARTMENT OF DEFENSE, TO THE ADMINISTRATOR OF THE U.S. ENVIRONMENTAL PROTECTION AGENCY, TO THE CHIEF OF THE USDA FOREST SERVICE, TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the Senate and the House of Representatives of the State of Idaho assembled in the Second Regular Session of the Fifty-ninth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the state of Idaho is the repository of one of the only and one of the world's largest supplies of cobalt mineralization capable of producing high purity cobalt metal, which has multiple applications that benefit mankind including irreplaceable uses for strategic, industrial and high technology manufacturing, environmental uses, medical purposes, high temperature alloy products for civilian and military jet engines, batteries in hybrid cars that reduce greenhouse gas emissions and batteries in computers and other high technology products, thus justifiably earning the reputation as both a critical strategic metal and a metal with truly "green" applications; and

WHEREAS, Formation Capital Corporation's Idaho Cobalt Project has demonstrated that it can build and operate a truly "green" mining project with a minimal impact upon the environment because it will have a small footprint on the land of less than 125 acres, because it will use only underground mining, because the Lemhi County mill will use simple physical separation of the minerals from the county rock without chemical leaching, and because the final cobalt metal will be produced in the already existing Shoshone County's Sunshine Hydrometallurgical Facility; and

WHEREAS, the proposed project will produce over 150 high paying jobs of immediate and year-round benefit to the economies of Lemhi and Custer Counties, as well as an additional thirty-seven high value added jobs at the company's Shoshone County's Sunshine Hydrometallurgical Facility and will generate local and state taxes in excess of eight million dollars annually; and

WHEREAS, the United States is the leading consumer of high purity cobalt metal yet produces no domestic supply, and therefore it is in the nation's strategic industrial and military interests to have a domestic supply of such a critical mineral available especially in times of national emergency; and

WHEREAS, Formation Capital Corporation has been diligently exploring, developing and permitting the project for fourteen years, has spent tens of millions of dollars to demonstrate to all regulatory agencies, both state and federal, that it will operate responsibly and in full compliance with all applicable laws, rules and regulations, and through steadfast perseverance has won the overwhelming support of its host communities and has answered all its critics respectfully and with complete transparency, consistency and honesty.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-ninth Idaho Legislature, the Senate and the House of Representatives concurring therein, that we request the President of the United States, the United States Environmental Protection Agency and the USDA Forest Service to make timely decisions on necessary permits and the record decision on the Idaho Cobalt Project.

BE IT FURTHER RESOLVED that the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, to the Secretary of the U.S. Department of Interior, to the Secretary of the U.S. Department of Defense, to the Administrator of the U.S. Environmental Protection Agency, to the Chief of the USDA Forest Service, to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.
